tangent

CLARITY 4 LOUDSPEAKERS

Tangent Clarity takes finish to a higher level
– the smooth high gloss piano lacquered cabinets looks sublime..!

These fine Clarity loudspeakers deliver refined sound reproduction with detailed treble and rock-hard lower frequencies - and the combination of perfect craftsmanship and state-of-the-art loudspeaker technology is truly unique – and very trendsetting. Clarity can be mixed and matched into your favourite surround sound system or enjoyed as conventional stereo
hi-fi loudspeakers.
